

LIFE-SHIFT: WORK AND THE CHRISTIAN JOURNEY

MARCH 10-12, 2017

“There are very few people who realize what God would make of them....In calling me to live my special qualities and characteristics, God planted deep in myself an original purpose.... what my concrete self adds up to and to live out.” - St. Ignatius of Loyola

Life is about managing change: career, personal, family, spiritual. This retreat is an opportunity to reflect on life and faith while considering new career, job, work and/or retirement possibilities. Activities include presentations/discussions, individual work, journaling, the Strong Interest Inventory and the Ignatian Spiritual Exercises. Participants will clarify life/work objectives and address the fears of transition while learning imaginative ways to explore their spirituality.
