And

## Hillside Trail

The Deer Path provides a beautiful walk through the woods. To go to the end of the trail and return is less than a 3/4 mile; the trail ends at the second bridge, one will usually see deer along the way!

PRIVATE PROPERTY STOP

**Poison Oak Warning:**  
Poison oak can be found scattered throughout the hillsides. You will not be in any danger of contact with poison oak if you stay on the path. (Poison oak has a shiny, three-lobed leaf that can be red or green, depending on the time of year.) Be careful!
