

"In Memory Of Jeremy Taylor: The Many Benefits Of Group Projective Dream Work"

Presented by Leader-Facilitators: **Bill Pezick,**

Rev. Carol Luther, Cecilia Engelhart, Fran

Harris, Jim O'Hara, Dr. Marsha Hudson

JUNE 15-17, 2018

The weekend dream retreat in honor of Jeremy Taylor will honor the memory and work of our late teacher and mentor. Jeremy believed everyone was a dream worker. His method of projective dream exploration helped unlock not only the often elusive meaning of our own dreams, but the hidden connections between us all, what he called "the universal language." His greatest hope was that his students and others who experienced his work would keep it alive. This dream retreat is for all, experienced dream workers and novices alike.

Six of Jeremy's senior students will facilitate the retreat. All are graduates and certificate holders of Jeremy's Marin Institute of Projective Dreamwork. The schedule will be similar to Jeremy's traditional schedule, beginning with meetings of the whole group, followed by smaller breakout groups over the weekend. The large group meetings will be structured so that the facilitators focus on different aspects of dream work and the projective process. The facilitators will then lead the individual small groups.
