

# EVERYDAY MYSTICISM: TEILHARD AND THE GOSPELS

Presented by Marie Noonan Sabrin, Ph.D.

Saturday, February 9, 2019

Teilhard describes a full moon rising over the barbed wire of a military encampment and asks, "What is it that is rising ... Is it the Moon, or is it rather the Earth, a unified Earth, a new Earth?" In the Gospel of Mark, a soldier looks at a man just executed as a criminal and exclaims, "Truly, this man was the Son of God!" This retreat will explore questions about the divine presence in human life that are raised both by the gospel narratives and by Teilhard's vision of evolving humanity.

Marie Sabin's latest book is *Evolving Humanity and Biblical Wisdom: Reading Scripture Through the Lens of Teilhard de Chardin* (Liturgical Press, 2018).
